ISSUE OF 4,500,000 UNLISTED OPTIONS – APPENDIX 3B

Solimar Energy Limited (“Solimar”) indicated in the last quarterly activity report (March 2010) that it was creating a pool of unlisted options (“options”) available to non-executive directors, founding shareholders, employees and key consultants.

Solimar has made offers to various individuals and the majority of these have been accepted. The two non-executive directors were also included in the offer; their individual allocation however will be subject to shareholder approval prior to any issue.

The options being issued have an exercise price of 12.75 cents and will expire on 1 June 2012. A portion of the options issued to each recipient will also be subject to vesting conditions associated with the period of service.

Please find attached an Appendix 3B for the issue of those options which to date the company has received acceptances for. These options have been issued under the company’s 15% capacity per the listing rules.

Yours sincerely,
